bookarestaurant.com Announces Top 50 Rated Quality of Food Restaurants for 2012 As rated by real diners; Seven Queensland restaurants make the list

Melbourne, Australia (14 August 2012) - - As the 2011/2012 Financial Year comes to a close, **bookarestaurant.com**, Australia's first-to-market dedicated website allowing dining patrons to search for and book available tables in real-time and Australia's leading restaurant reservation management system for restaurants, is pleased to announce the 2012 Top Rated Award winners for the Top 50 Rated Quality of Food restaurants in Australia.

The winners span five states with Victoria easily leading the other states with 23 honourees. New South Wales came in second with 13 winning restaurants, followed by seven winners in Queensland, six winners in Western Australia and one winner from the Australian Capital Territory.

The usual suspects appear on the list, including five of Neil Perry's venues (Rockpool Bar & Grill – Melbourne, Sydney, Perth, Rockpool on George and Spice Temple – Melbourne), and four of George Calombaris' restaurants (Hellenic Republic, Maha, P M 24, and The Press Club). Seven Queensland restaurants represent the sun-drenched state well with ARIA Brisbane, Bushfire Flame Grill Restaurant, E'cco Bistro, Jelly Fish Restaurant, Ortiga, Restaurant Two, and Sails Restaurant Noosa making the list.

The Top Rated Awards for the Top 50 Rated Quality of Food restaurants is generated from more than 13,000 reviews collected from verified bookarestaurant.com diners between July 1, 2011 and June 30, 2012. All restaurants with a minimum number of qualifying ratings and reviews were included for consideration.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the Top 50 Rated Quality of Food restaurants in Australia according to bookarestaurant.com diners. The complete list may also be viewed at <http://www.bookarestaurant.com/promo/2012-top-rated-annual-awards>.

About bookarestaurant.com Ratings & Reviews

bookarestaurant.com launched the Ratings & Reviews service in mid-2011 to help diners find and compare restaurants that best suit their dining requirements. Dining patrons who honour their online booking are invited via email to submit their restaurant feedback online. Visitors to **bookarestaurant.com** can review, compare and access ratings and reviews for over 800 partner restaurants across Australia. In only a short 12-month period, **bookarestaurant.com** now displays over 13,000 authentic reviews online submitted by real diners, and has established **bookarestaurant.com** as one of the leading and most trusted sources of user generated content for restaurant reviews in Australia.

About bookarestaurant.com

bookarestaurant.com is Australia's first dedicated website allowing dining patrons to search for and book available tables in real-time across multiple venues. Reservations are instantly confirmed, free to make, and can be made online or through the mobile iPhone application any time of the day, any day of the week.

bookarestaurant.com automates the booking process for restaurants, eliminating the need to keep a traditional pen-and-paper diary, increasing operational efficiency to restaurant owners. **bookarestaurant.com** provides restaurateurs with direct access to one of Australia's largest diner booking network as well as a cost-effective advertising channel to promote future and last minute table availability and specials. **bookarestaurant.com** can also be integrated directly with ResPAK, a global industry leader in restaurant reservation management systems. **bookarestaurant.com** is a subsidiary of Analytical Systems Pty Ltd, and is based in Melbourne, Australia.
